

# Now Available

## The United States Geological Survey (USGS) is seeking feedback on the Draft Environmental Impact Statement (EIS) for the development of an updated facility for the National Wildlife Health Center (NWHC).

The Draft EIS is now available for public review and can be accessed on the project website at: <https://www.nwhceis.com/eis/>.

The existing NWHC was established in 1975 and is the only national center devoted to advancing wildlife health science for the benefit of animals, humans, and the environment. However, age and space limitations are a growing challenge to NWHC's mission.

### Public Meeting

#### Join us to learn about and comment on the Draft EIS

#### Virtual

**Thursday, July 18**  
**12:00 – 1:00 pm CDT**

Register for the Zoom meeting at:  
[www.nwhceis.com](http://www.nwhceis.com)

#### In-Person

**Thursday, July 18**  
**5:30 – 7:30 pm CDT**

Lussier Community  
Education Center (LCEC)  
Community Room  
55 S. Gammon Rd  
Madison, WI 53717

#### Online

All project information including the Draft EIS will be available for public review, consideration, and comment on the website.  
A recording of the virtual public meeting will also be posted:  
[www.nwhceis.com](http://www.nwhceis.com)

### We want to hear from you

Although comments can be submitted to USGS any time during the EIS process, only comments received by **July 29, 2024** will be considered and responded to in the Final EIS.
